

# DAISY VERMA

Economics Honours Student | Quantitative Researcher-in-Training | Python & Excel  
daisy.eco0601@gmail.com • linkedin.com/in/daisy-veconomics • Purnea, Bihar, India

## PROFESSIONAL SUMMARY

First-year Economics Honours student at Purnea University with an interdisciplinary background in Physics, Chemistry, and Biology — providing a strong quantitative foundation applied to economics and financial research. Focused on the intersection of data analysis and financial markets, including regional economic disparities, Python-driven automation, and quantitative finance. NISM & AMFI certified with hands-on competition experience at the international level.

## KEY ACHIEVEMENTS & CERTIFICATIONS

- IQC 2026 – Gold Tier Qualifier & Silver Tier Qualifier; Stage 1 Qualifier (Top 20% Globally) — International Quant Championship
- Bronze Level – WorldQuant BRAIN Research Consultant Program
- Prelims Qualifier – Tata Crucible Campus Quiz 2025
- NISM Certified: Quantitative Finance Starter Level & Financial Literacy Course for Bharat
- AMFI Certified: Mutual Funds Sahi Hai Participation

## EXPERIENCE

**Student Researcher — Economic Data Analysis** | Purnea University (Academic Project) Jan 2026 – Present

Purnea, Bihar

- Conducting original research on regional economic disparities across 8 key districts of Bihar.
- Using Excel for statistical analysis of Per Capita Income deviations from the state mean.
- Developing Python automation pipelines (Pandas, Matplotlib) for data ingestion and visualisation.
- Key finding: strong correlation between district-level literacy rates and wealth distribution — with implications for state development policy.

**Business Development Associate** | Freelance

Feb 2024 – Oct 2024

Purnea, Bihar (Remote)

- Managed customer outreach and relationship management in a fast-paced, remote environment.
- Developed persuasive communication and presentation skills to explain product value and meet sales targets.
- Analysed market interest and adapted outreach strategies to improve engagement.
